

INTERNATIONAL SUMMER TEACHING ASSISTANT OPPORTUNITY TWO WEEKS IN CHINA - ALL EXPENSES PAID

JULY 15-29, 2018

The innovative USA STEM Academy, Inc. is offering you a unique all-expense paid international summer school teaching assistant experience. USA college students are needed to be teaching assistants for one and two-week summer camps in various cities in China.

- All teaching is in English - Grades K to 12
- USA teachers lead each class
- Translators provided
- STEM classes; STEM field of study or teaching experience preferred-Not required
- Curriculum and training provided

Experience beautiful modern China, the world's second largest economy. Teach Chinese kids eager to learn from USA teachers and college students. Americans and American teachers are well-respected and honored in China by Chinese teachers, parents and students. Share your passion for working with kids who are inquisitive, respectful and happy to be in your class.

ALL EXPENSES PAID:

- Roundtrip airfare to and from China
- China airport pick up and drop off
- Sleeping accommodations and Meals
- City excursion on the weekend

Teaching is Monday to Friday, 8:30 a.m. to 4:30 p.m. at a local Chinese school or training center. Evenings and weekends are free time. Join us for a unique China experience, serving as an American teaching assistant, enthusiastic college student and "USA ambassador" to China.

Trip Value: \$3,000; The Memories and Experience: Priceless
