

INTERNATIONAL SUMMER TEACHING OPPORTUNITY TWO WEEKS IN CHINA - ALL EXPENSES PAID

JULY 15-29, 2018

The innovative USA STEM Academy, Inc. is offering you a unique all-expense paid international summer school teaching experience. USA teachers are needed to teach two-week summer camps in various cities in China.

- All teaching is in English - Grades K to 12
- Translators and teaching assistants provided
- STEM classes; STEM degree or teaching experience preferred-Not required
- Curriculum and training provide

Experience beautiful modern China, the world's second largest economy. Teach Chinese kids eager to learn from USA teachers. American teachers are well-respected and honored in China by Chinese teachers, parents and students. Share your passion for teaching with students who are inquisitive, respectful and happy to be in your class.

ALL EXPENSES PAID:

- Roundtrip airfare to and from China
- China airport pick up and drop off
- Sleeping accommodations and Meals while working
- City excursion on the weekend

Teaching is Monday to Friday, 8:30 a.m. to 4:30 p.m. at a local Chinese school or training center. Evenings and weekends are free time. Join us for a unique China experience, serving as an international educator and "USA ambassador" to China.
